

Oxford City Branch Hugh's News!

(Produced fortnightly by Hugh Deam and Paul Lucas. All contributions are welcome.)

Monday 12th July 2010.

'Aunt Sally' Night at the Red Lion in Wolvercote on July 2nd was a delightful success with 27 ringers and their families attending. The hand bell ringers took advantage of the summer evening and practised outside, while the church bell ringers had to stay put inside St. Peter's, but enjoyed their practice none the less. The Aunt Sally was splendid fun with three teams competing. It came as no surprise that this traditional game takes considerable skill and practice to master. Hmmm....that rings a bell! *Donna Murphy.*

On Saturday 3rd July we rang a well struck quarter of Plain Bob Triples. For various reasons, we have had a number of 'failures' at South Leigh, but on this occasion it was successful! The band was l-r: Maaritt Kivilo, Simon Edwards, Paul Lucas, Phil Sampson, Bernard Masterman, Christian Burrell (cond.), Hugh Deam and Roy Jones. *Paul Lucas.*

At last... A successful Quarter Peal at South Leigh!

Branch Practice at Northmoor.

One of our occasional 'out of branch' Branch Practices saw us receive a warm welcome at Northmoor, and having held similar ringing events over the past decade, it is heartening to find that they once again have a local band that practice on a regular basis.

Roy Jones and I were pleased to be part of an exceptionally well struck quarter peal at Wootton on Sunday 4th July with a band that included two of their own tower ringers, a further ringer from their branch (Witney & Woodstock), and a ringer from South Oxon, as part of an ongoing quarter peal collaboration. The resurgence of Wootton tower is a shining example of what is possible in a relatively short space of time with local enthusiasm.
